

Wamama Pamoja Enterprise - Support Package Summary

Attention: Leacky Omondi

Subject: Clarification on current support package and service coverage

Thank you for your response and for requesting clarity before the revised support fee takes effect. We agree that any change in monthly support should be clear, measurable, and connected to the value the system brings to your daily operations.

Based on the current audit, Wamama Pamoja Enterprise now falls under the Silver Package. The system currently has 12 active business users, over 1,200 active clients, over 1,000 active loans, and thousands of savings and repayment entries processed every month.
